

Chain Saw Carving Event

Chain Saw Carving event will draw carvers from all over to the Kinmount Fair on September 1 to 3, 2017. The event provides an opportunity for people to watch 8-10 carvers at work on their own masterpieces. It begins Friday, September 1 and finishes with an auction beginning at 12:30 p.m. on Sunday, September 3.

There will be a special appearance by Auctioneer Ab Carroll, abcarrollauctions.com, who will be auctioning off the carvings on Sunday September 3. View a video of Ab on farmersforum.com.
